

The Generator

Description:

THE GENERATOR Marketing Services - specializes in Internet Marketing for local small business. The Generator has experience in traditional promotion and marketing, development and promotion of websites, banner ad creation and online placement as well as Search Engine Marketing and Search Engine Optimization. We combine this with an understanding of regional Internet use that allows us to create an effective Internet marketing strategy for you. We are the only local marketing service with this specialty. We can help your business get noticed on the web. Get a jump up on your competitors by optimizing your website and marketing to the right people at the right location. Optimizing your website is a cost-effective way of increasing traffic to your site.
